General Ordering Information

ART CHARGES

For layouts requiring special attention, such as artwork unsuitable for reproduction or logos needing color separation, modest art charges will be applied to guarantee excellent reproduction.

If your files are not print ready, don't worry! Our skilled team can handle any necessary manipulation to ensure a flawless final product. Additionally, if you require scanning, design, or typesetting services, just reach out to us, and we'll provide you with a quote for prep charges.

NOTE: Add two production days for typesetting and design to the production time of the product. Listed production times will begin after artwork approval.

ARTWORK

Provide clean, flat, black and white, camera-ready artwork, or digital artwork colored 100% black, scaled to fit the imprint area.

BOOKING

Sets of snap-set forms are bound together with staples and most often a wraparound cover. The cover is 80# White Vellum stock which doubles as a divider to separate the form being used from the unused forms.

LOGOS

View our stock logo selection on the Tools tab online. Custom logo artwork should be provided in solid Black. Pre-screened artwork does not reproduce well. Logos will be placed in the upper left-hand corner of the designated imprint area unless indicated otherwise.

PROOFS

Digital proofs are provided at no charge on all online orders. Manual catalog proofs in black and white are available for \$15.00 (R) each. Production time starts after proof approval.

SPECIAL SETUP

A special set-up charge of \$37.10 (R) will be added to the order when adding copy that is requested outside of the designated printing area on the preprinted forms. A previous sample or sketch of additional copy placement should be provided with the order.
