Are you ADA Compliant?

The Americans with Disabilities Act of 1990 set forth guidelines that are to be followed for signage needs when government (local, state and federal) and public buildings are being newly built or renovated. Those guidelines include the following:

- 1/32" minimum raised/tactile characters
- 5/8" minimum character height
- Raster grade 2 braille with rounded or domed shape
- High color contrast
- Non-glare finished surface
- Sans serif font

General Information

Engraved Plastic Color Combinations

Engraved signs and badges are constructed from 1/16" two-ply plastic. Color combinations are available only as shown. Specify color number when ordering. If no color is indicated, L6 (black sign with white lettering) will be used. Some colors may fade if used outdoors.
